Dear Exhibitor,

Thank you for your upcoming participation in the Newsday AAA Travel Expo. This event will take place on Saturday, February 29, 2020 and Sunday, March 1, 2020 at NYCB LIVE’S, Nassau Coliseum on Long Island, NY.

Included in this packet, you will find important order forms and information regarding your operational needs at the show. These forms provide information on the following: shipping, setup/teardown, insurance and booth ID signage.

If you need additional information on booth furniture rentals, booth labor, drayage (freight handling), booth cleaning or audio/visual equipment rentals, Demers Exposition Services will be the official contractor for these services. You may contact Demers Exposition Services Department directly at (860) 882-0003 to order any of these services. All other questions should be directed to Jackie Robins, Jacklyn.Robins@newsday.com and Lisa Rivera, lisa@eknyc.com

The entire Newsday AAA Travel Expo staff and I look forward to assisting you and wish you a most successful show.

Sincerely,

The Newsday Events Team & AAA Travel

BOOTH DECORATION INFORMATION

All Show booths receive the following as part of their booth space package unless otherwise arrange with AAA Travel:
10’ wide x 10’ deep space, one company pre event booth identification sign (7” X 44”), three foot high side rail drape and eight foot high back wall drape, one six foot draped table and two chairs. Please note that each booth will be carpeted in blue. You do not need to purchase carpet unless you desire a different color than what is being provided.

EXHIBITOR CHECK-IN DESK

Exhibitors can check-in at the Gate 5 entrance or just inside the loading dock of the Exhibit Hall during move-in, both located across from parking lot 1 (Click here for a map). All exhibitor personnel must stop by one of these desks to pick up an exhibitor badge.

Exhibitors need to submit the names of the staff who will be working their booth at the event, so that we can add them to the security check-in list. Badges will be needed to enter the expo floor, so be sure to take care of and wear your badge at all times while at the event. Company name, First Name & Last Name are needed and booths are limited to 4 staff members per day. Please email completed lists to lisa@eknyc.com by Friday, February 14, 2020.

If loading dock access is required scroll down to page 9 for more information.

Exhibitors should drive in through VIP entrance to the North West and park in Lot 1B (the right side of Lot 1 that includes the VIP section).
CERTIFICATE OF INSURANCE
Deadline: February 14

All exhibiting companies at the Newsday AAA Travel Expo must obtain a certificate of insurance prior to setting up your exhibit to protect your company from any unforeseen accidents while at the show. This type of insurance costs minimal to obtain, typically around $100 depending upon coverage required.

You can obtain this “broad form of endorsement” from your insurance carrier. The amount should be no less than $1 million of comprehensive general liability insurance. Such insurance shall name the Newsday, LLC, 6 Corporate Center Drive, Melville NY 11747 & AEG Management Nassau, LLC, its officers, directors, and employees as additional insureds.

If you do not have an insurance carrier that can provide this type of coverage, we recommend obtaining one of the following event insurance providers:

   ExhibitorInsurance.com - www.exhibitorinsurance.com

   Insurance4Exhibitors – www.insurance4exhibitors.com

Please send your insurance certificate to lisa@eknyc.com by Friday, February 14, 2020.

SHOW RULES & REGULATIONS

February 29, 2020 & March 1, 2020 / Nassau Veterans Memorial Coliseum / Long Island, NY

SHOW RULES AND REGULATIONS

• Exhibitors are expected to have personnel attending their booths at all times during Show Hall hours.
• Fire and safety regulations require that aisles be kept clear at all times. Please be sure that your tables and other booth furnishings remain within the limits of your booth; display materials cannot be placed past the edge of your side drape line. We recommend that you place your table further back in your booth. This invites attendees to enter your booth and avoids the appearance of overcrowding, which discourages additional visitors.
• Leafleting and other promotional activities must take place within the confines of your booth, not in the aisles or doorways.
• No hand-written signs may be used at the Show unless they are being used for specials. Also, taping or pinning of display materials to the walls of the Exhibit Hall or to the booth draping is strictly forbidden. If additional S hooks are required to hang banners, please see a staff member onsite.
• Noise Complaints – Please be aware of the noise coming from your booth. Any music or TV’s within your booth space must be played at levels that do not disturb exhibitors around you and does not interfere with conversations with attendees. No bull horns or other such loud devices are permitted to be used at the show. Any such complaints that come from neighboring exhibitors or attendees, offending exhibitor must cease activities all together. Show Management reserves the right to remove such activities or exhibitor from the floor if not compliant.
• All exhibitors unloading their own materials, must use the loading dock to do so. Use of any sort of carts is strictly prohibited in the upper lobby area of the Nassau Coliseum and on the escalators.

MATERIAL HANDLING

If you are shipping your materials to either the advanced warehouse or direct to the Nassau Coliseum, all shipments received will incur a material handling charge to deliver to your booth. We have negotiated discounted material handling charges with Demers Exposition Services, depending on the size of your shipment. Please refer to pages 11 of the Demers exhibitor services kit for a list of those fees.

If you are bringing your materials with you and not shipping in advance, please be sure to bring a two-wheeled cart to move your materials, no fees will be incurred when you bring your own materials.
Exhibitors should drive in through VIP entrance on the Northwest side of the building.

Exhibitors can park anywhere, but Lot 1B makes the most sense since most will come in through the loading dock or Gate 5.

LOADING DOCK ACCESS

Those exhibitors that absolutely require dock access to drive down and drop off/unload material will have a 15-minute window to do so. They will check-in with security at the top of the ramp providing name, number, company or booth name and booth number if they have it. They get 15 minutes to unload then the vehicle must go back outside and then the person can re-enter to work and setup the booth. There is no parking inside. If anyone exceeds the time a phone call is made if they ignore the entire operation stops until they can follow the procedure and remove their vehicle.

Those that do not need to drive in and can hand carry or cart in material will check-in at Gate 5 Security/Employee entrance across from parking lot 1. They will check-in with security and take the freight elevator down.
